(ii) Draft Rules have been suggested by the Committee for optional registration of marriages in rural areas & Minor Metres

These rules do not appear to be proposed under any enactment They seem to be in the nature of instructions by the Executive. Perhaps these also may be scrutinised by the Legislative L.S.G. sections with regard to all their implications and then published in the Gazette.

Sir,

Subject.

Draft Bye-Laws for the Registration of Births and Deaths and Marriages proposed for adoption by the Sanitary Board, K.G.F.

Sir,

Adverting to your letter No. L.6099/ML. 139-37-4 dated the 15th January 1938 and para 9 of Govt. Order No. 2990-3016/ P.H. 154-36-4 dated the 7th October 1937, requiring me to place the said Bye-Laws for the consideration of the Sanitary Board and forward for the approval of the the Government the Resolution of the Board, agreeing to adopt the draft bye-laws under reference in lieu of the existing Bye-Laws on the subject, I have the honour to state as follows:-

2. The area under the control of the Sanitary Board including the Village Panchayets is 30 sq. miles, with a population of 85,103 according to the census of 1931.

This area consists of 3 blocks as noted below.-

(1) Mining block
(2) Robertsonpet Town and Andersonpet with seven Villages adjoining.
(3) Eighty two Villages all round the town and Mining blocks.

In the para 9 of the Govt. Order No. 2990-3016/P.H.154

154-56-4 dated the 7th October 1937 the draft Bye-Laws framed for the Municipalities are commended for adoption by the Sanitary Board. As the jurisdiction of the Board comprises of both rural and urban area, it seems not feasible to adopt these Bye-Laws for the rural area also.

3. As regards the urban area the registration of birth and deaths in the Mining Block is being done by the Sanitary Staff of the several Mines under the control of the Chief Medical and Sanitary Officer. This Officer has been addressed, inviting his cooperation in working out the scheme and furnishing the necessary information in the prescribed form as regards Birth and Deaths etc., in the Mining block. His reply is awaited. I am of opinion that it is advisable to confine such registration only to Robertsonpet and Andersonpet and the 7 Villages under the direct administration of the Board.

4. In regard to the registration of marriages in the K.G.F. area, I am not sure whether it is advisable to do so, considering the composition of the population unless proper precautions are taken to verify the information given. The majority are coolies working in the Mines, among whom concubinage prevails to a considerable extent. With a view to get some title to compensation in case of fatal accidents, parties who have not been united in legal wed-lock, may attempt to get their union registered as marriages without undergoing the formalities of regular marriage. If the information given has to be verified a separate staff will have to be maintained, as the number of cases will be large and this will entail additional expenditure.

This is not necessary in the Camp like the R.G.F. Sanitary Visit Regd.

5. The Bye-Laws will however be placed before the Board in the month of February 1938 and a copy of the resolution in the matter will be submitted to Govt. for approval.

I have the honour to be,
Sir,
Your most obedient servant,

President,
K.G.F. Sanitary Board.
